INNOVATION, QUALITY, AND STYLE IN ONE PLACE.

köögi

Your Local Destination for Advanced Gas Stoves and Exhaust Hoods

At köögi, we offer the latest in kitchen technology with sleek, high-performance gas stoves and exhaust hoods. Proudly serving Batam and Indonesia, our products combine modern design with advanced functionality, making your kitchen efficient, stylish, and affordable.

Our gas stoves provide precise flame control for perfect cooking, while our exhaust hoods feature powerful, quiet ventilation and smart, touchless sensors to keep your kitchen fresh.

We offer personalized service to help you choose the right products, along with expert installation to ensure flawless performance.
